Embroidery It

Machine embroidery designs so you can be creative daily and live life beautifully

Instructions:

1. Hoop fabric and appropriate stabilizer in 4 x 4 hoop. Use stabilizer to match your fabric. I am stitching on cotton fabric and have used a cut-away stabilizer here.
2. Use the Thread Chart included in the zip file to follow along with the thread colors.
 - a. Color 1 is the leaves and stems
 - b. Color 2 is the outside of the flowers
 - c. Color 3 is the middle of the flowers
 - d. Color 4 is the center of the flowers
 - e. Color 5 is the placement of the letter A applique. Place your fabric over this.
 - f. Color 6 is the tackdown of the fabric for the letter A applique. Trim your fabric.
 - g. Color 7 is the words "is for... Applique"

Note: I used the same color thread for colors 5, 6, and 7.

I'd love to see what you create using this alphabet. I think it will make a beautiful table runner or wall hanging when all the letters are combined.

Enjoy!! ~ Nancy ~ Be creative daily and live life beautifully
